Education

A.D.S.E(Advanced Diploma in Software Engineering)

Aptech, Lagos, Alagbole | January 2023 - May 2025

Thesis / Final Project: *Design and Development of an E-Books Mobile Application using Flutter and Dart*

Professional Summary

Recent graduate with a 2-year Advanced Diploma in Software Engineering (ADSE) from Aptech Computer Education. Skilled in programming, web and mobile app development, database management, and software testing. Proficient in both front-end and back-end technologies, including Flutter, Dart, Java, Python, HTML, CSS, JavaScript, and MySQL. Experienced in building and deploying real-world projects, such as an e-books mobile application. Eager to apply technical expertise, problem-solving skills, and a strong work ethic to entry-level roles in software development and IT solutions.

Experience

Software Engineer

Aptech, Lagos State, Alagbole | Jan 2023 - May 2025

- Designed, developed, and tested software applications using Java, Python, Dart, and JavaScript.
- Built responsive web applications with HTML, CSS, JavaScript, and React.
- Developed mobile applications using Flutter and Dart, including an e-books app project.
- Created and managed relational databases using MySQL and SQLite.

Research

Design and Development of an E-Books Mobile Application using Flutter and Dart – Conducted research on mobile UI/UX design, database integration, and digital content management to create a functional e-book application. The project included user authentication, an intuitive reading interface, and data storage using SQLite.

Training

Advanced Diploma in Software Engineering (ADSE) – Aptech Computer Education, 2023–2025
Covered programming (Java, Python, Dart, JavaScript), mobile app development (Flutter), web development (HTML, CSS, JavaScript, React), database management (MySQL, SQLite), software design, testing, and project management

Certifications

- **Advanced Diploma in Software Engineering (ADSE)**
  Aptech Computer Education – Awarded 2025
- **Certificate in Web Development** – Aptech Computer Education, 2024

Skills

- Web Development
- Mobile Development
- Programming
- Database Management
